KO 12/9/19 The prospectus in this file is for the loan to effect improvements of the water supply scheme In the linked file above, the Mysore have opened another debenture prospectus for the loan towards the drainage scheme It is a matter for consideration whether a single loan prospectus for both items will not do and enquire why two drafts have been sent up for Govt approval

5 The question of additional taxes referred to in the D C's communication raises some weighty questions and we have to await the receipt of formal proposals
